**Please send to NORFED TREASURER:**

Mrs Barbara Findlow  
Robin Hood Cottage  
Wakefield Road  
MIRFIELD  
W YORKS  
WF14 OBU.

**What is NORFED?**

NORFED stands for The Northern Federation of Dive Clubs. It was founded in 1958, very shortly after the BSAC, and has pioneered the development of many diving practices that are now routine in the sport. It is the last of the Diving federations to exist, come and join us.

**NORFED'S Objectives:**

To promote the interests of divers both locally and nationally.  
To promote communication between clubs so that divers can enjoy diving with other clubs, visiting different venues, and experiencing various types of diving. To access this information use the NORFED web site: [www.norfed.org](http://www.norfed.org)

**NORFED Offers:**

The web site offers the opportunity of advertising places on your club dives - to help fill your trips - to other NORFED members, by contacting [nobby.clark@delta-nev.co.uk](mailto:nobby.clark@delta-nev.co.uk) with the details.  
Shortly, we hope to offer a list of Boat Operators for divers on the website. The annual **Dinner Dance** for members to renew friendships and enjoy an excellent meal in convivial surroundings. The Diver of the Year trophy, the Photographer of the Year trophy and other trophies are presented here.  
The annual **Photographic Competition**, competing for the prestigious Photographer of the Year trophy. The judging is done at the Dinner Dance, where all the entries are displayed for all the guests to see and appreciate.

**NORFED is run** by a small committee of volunteers who meet quarterly. Any member of NORFED is entitled to attend the meetings and their views are most welcome. They are also very welcome to stand for election at the AGM.

Widen your horizons by mixing with other British divers by joining NORFED for 2009. Excellent value for only a small annual fee.
