What is NORFED?

NORFED stands for The Northern Federation of Dive Clubs. It was founded in 1958, very shortly after the BSAC, and has pioneered the development of many diving practices that are now routine in the sport. It is the last of the Diving federations to exist, come and join us.

NORFED'S Objectives:

To promote communication between clubs so that divers can enjoy diving with other clubs, visiting different venues, and experiencing various types of diving. To access this information use the NORFED web site: norfed.org.uk

NORFED Offers:

The web site offers the opportunity of advertising places on your club dives to help you fill your trips. Contact nobby.clark@delta-nev.co.uk with the details.

We offer a list of Boat Operators for divers, on our website.

The annual **Dinner** is held for members to renew friendships and make new friends and enjoy an excellent meal in convivial surroundings. This year it will be held on Saturday 29th October 2011 (see website for further details).

The annual **Photographic Competition**, competing for the prestigious Photographer of the Year trophy is judged at the Dinner. All entries are displayed at the Dinner for all the guests to see and appreciate.

The **Diver of the Year** trophy, the **Photographer of the Year** trophy and other trophies are presented there too.

NORFED is run by a small committee of volunteers who meet quarterly. All NORFED members are entitled to attend the meetings and their views are most welcome. They are also very welcome at the AGM to discuss any relevant topic or to be voted on as a Committee member!

Minutes of this years **AGM** held on 6th February 2011 are on the website. Join other British divers and join NORFED for 2011.

Application form downloadable from website.
